

Agreed Report Board of Management Meeting 14 June '16

- The principal presented the results of the standardised tests for second, fourth and sixth classes to the Board as required by Dept. of Education. These results will also be forwarded to the Dept. The Board was very pleased with the standards achieved in literacy and numeracy.
- As many of you already aware, the school website is up and running. Feedback is very positive and thanks was expressed by the Board to Derek, Glen and Síne who put in many hours developing the website. Website address is www.aughacaslans.com
- The Board agreed to subsidise the cost of the school tour from school funds on a once off basis. Details of this subsidy and future plans for school tours will be forwarded to all parents by Caroline in due course.
- The outside of the school will be painted during the summer holidays. This is being carried out under a social employment scheme and we are very grateful to all concerned in organising this.
- We are reapplying for additional accommodation as our first application fell under the major capital investment category and the projects to benefit under this had already been chosen for the next few years.
- Correspondence regarding the 'old school ' is ongoing with St. Brendan's Trust. We are awaiting the outcome of their next meeting which will be held shortly.
- The Board of Management will continue to meet during the holidays to deal with any developments that may arise.
- The Board of Management would like to thank parents for their support and goodwill during the year. We wish you and your families a very happy Summer holiday.
