BOM Meeting Wednesday 26/10/16

- The Board had a full discussion on new Garda vetting procedures and how this may impact on school activities. All those who are in contact with pupils need to be vetted and this may cause delays in having classes e.g. yoga etc. as teachers have to be cleared before they commence any classes in school.
- Matters are progressing with regard to old school building. Possible options and costs will be presented to the Board as soon as possible.
- The next policy to be updated is the Administration of Medicine Policy.
- The Board will attend training in Tralee on 16/11/16
- School uniform and code of dress was raised as an issue . The Board felt that further discussion with Parents Association was warranted.
