

- Please aim to do at least 3 Random acts of Kindness every day.
- Keep practicing your multiplication and division tables. Play games such as 'Fizzbuzz' as everyone in the family can participate.
- Revise nathanna na seachtaine and frásaí ó 'Litriú and Frásaí'. The following link is a nice Irish Easter activity <https://www.twinkl.ie/resource/roi-t-149-design-an-easter-egg-comprehension-activity-sheet-gaeilge>
- Keep reading every day and keep a record of the different books you've read with a rating out of ten next to each one. Remember to recommend books that you liked to friends and family. There are lots of audio books online also.
- Watch a movie of a book you've read and compare the movie to the book.
- Cook or bake something and write down the procedure or take a picture of the finished product 😊
- Write a letter or phone your grandparents , or any elderly neighbour or friend that may live alone.
- Get outside and enjoy the fresh air. Look for all the signs of spring around you and enjoy the little things. We're very lucky to live where we do!! Why not collect some wild flowers and press and dry them. You could research their names and write them in English and in Irish.
- Keep active anyway you enjoy. Joe Wicks is live every morning and can be enjoyed by the whole family. <https://www.youtube.com/watch?v=3Z05939ZMBE>
- Focus on learning one new skill from a hobby that you do, whether that be a sport, playing an instrument, dancing or singing. Set yourself a challenge even.
- Take this time to bond, spend time playing card games and board games. Practice chess and draughts. Why not design your own board game? <https://www.twinkl.ie/resource/senior-school-design-a-board-game-activity-roi-tpcs-45>
- STEM activities. You all did such a great job during engineering week. Here are a few links of other things you could do.
Rubber band car <https://www.youtube.com/watch?v=9xhEXDrMMLg> here is a link to how to make a rubber band car but you may prefer to come up with your own way.
Design a working zip line <https://www.youtube.com/watch?v=FsyShX2NGFU>
Feel free to come up with your own ideas and remember to keep a record of what you deigned.
- We're currently in Easter week starting with Palm Sunday. Below is a link to a powerpoint about Easter and there is a good cartoon on 'Bible Stories' that portrays it well for children. Both links are here. <https://www.twinkl.ie/resource/the-easter-journal-the-story-of-easter-powerpoint-t-or-1138>
<https://www.youtube.com/watch?v=0PSgoPdKQFQ>
- Easter crafts. <https://www.pinterest.ie/pin/383861568236192138/>
<https://www.pinterest.ie/pin/505951339382467588/?d=t&mt=login>
<https://iheartcraftythings.com/mini-easter-basket-craft.html>
- Plan and map an Easter egg hunt that all the family can enjoy.

Have a great Easter holiday, enjoy the time off and have fun. Hope to see you all soon.
