

Senior Infant's Work 1/2/'21 - 5/2/'21

Dear Parents,

I hope you are all remaining to keep safe and well. This document outlines the children's work for the coming week. There should be no pressure on anyone to complete the work. Complete the amount that you feel your child is capable of. Many thanks for all of your cooperation to date. Here are some general notes on the work I have selected.

Maths: Numeral 10

The following activities might help...

- Ask your child to come up with things that come in groups of 10 (fingers, toes, 10 digits in most mobile phone numbers...)
- Make sets of 10 using household items (Lego, uncooked pasta, toys, blocks..)
- Practise writing 10 in the air, on parent's back, or make 10 using playdough.
- Play this YouTube clip: <https://www.youtube.com/watch?v=rzR57dI-7FE&t=32s>

Gaeilge: This week we will revise our body parts. I have attached a video recording to help with this. Also included in the same recording is an Irish rhyme. I would advise that you work on 2-3 words daily.
