

BOM Agreed Report

11th June 2024

- Permission was granted for Gráinne Higgins to extend her maternity leave
- The BOM reviewed our Code of Behavior, Safety Statement and Critical Incident Policy,
- The BOM approved a new Career Break and Job Share Policy
- The BOM was informed that the school's applications for BLAST and Creative Clusters had been unsuccessful
- The school's School Self Evaluation Plan was approved by the BOM.
- Approval was given for the 6th class to attend surf lessons with Kingdom Wave Surf School on Inch Beach on Friday 14th of June.
- Approval was given by the BOM to pay for staff training in First Aid and Administration of Buccolam Midazolam training prior to the start of the new school year.
- All EPV days were approved by the BOM for the year.
- The BOM was informed of the legal advice received regarding the disputed Old School site.
- A final offer was made to the school's neighbour via his solicitor that a compromise based on a revised drawing of the site boundary could be reached which would result in part of the lands on Folio KY460 being transferred to the neighbour but this will also allow the school increased room to allow for the proposed car park works. A meeting on site between all parties would take place to agree this new boundary.
- The BOM agreed to this proposed compromise on the grounds that there would not be an inordinate delay in waiting for a response to the compromise proposal.
